About me...

Hi, I'm Olivia.

I'm 29 and I've been obsessed with taking photos for as long as I can remember- starting with a Barbie disposable camera and probably using up the whole roll in one afternoon. That love for capturing moments never really went away.

I'm a big fan of all things 2000s nostalgia, pop rock playlists, dogs... actually, all animals and anything creative. I love making spaces feel warm and cosy- the more fairy lights, the better!

When I'm not behind the camera, you'll usually find me curled up on the sofa watching trashy TV, heading out for long walks, or attempting to convince myself I enjoy running (I'm working on it). I believe photography should feel relaxed, fun and natural- just like a good chat with a friend- and that's exactly the approach I bring to every shoot.

My approach

I believe the most beautiful photographs come from real connections and genuine moments. My sessions are relaxed, natural and never rushed, giving you the space to simply enjoy time together while I capture the laughter, cuddles and little details that make your story unique. Whether I'm photographing your growing family, welcoming a new baby or documenting a special celebration, my goal is always the same- to help you feel at ease and create timeless, heartfelt images you'll love for a lifetime.

The next steps

Hopefully, I'm the right fit for you!

If so, the next step is easy - just get in touch and we'll take it from there.

I'll send over a contract for you to read through and sign. Once the contract is signed and a 20% deposit has been paid, your shoot is officially booked in my diary.

From there, I'll be on hand to answer questions and help out wherever you need ahead of the shoot!
